<a href="#">Thu Lift+Bd Rent+Lesson</a>	\$225.00
<a href="#">Thu Lift+Combo Rnt+Ls</a>	\$245.00

Snow club hints – well, really they are rules at my house:

1. If we go, we all take a lesson! Period. The lessons are wonderful and if taken weekly lots of improvement can be had!
2. If you go, we all wear a helmet. Period. No helmet, no play. (Aspin Ski & Board has a great helmet deal with Goggles as well as a yearly ski / board program for youth)
3. Wednesday evening we all pack our gear for the next day – not just me or Mike, but ALL of us. We are responsible for our own gear (yeah, I do look it over when they aren't looking).
4. We put our boots on Wednesday night. They are so difficult to get into that practice helps I have found. When I have a kid asking me for help and I am having a hard time doing my own is to say the least - frustrating, so, we all practice this.
5. Things I do to make life easier on Thursday's:
  - a. Pack a good snack for the ride there and the ride back.
  - b. Try to pack the car Wednesday night.
  - c. Put flash lights into the car so kids can read or do homework each direction.

I know, I know, I don't sound like much fun, but planning makes it so I can have fun too. It's always better if I am not screaming at the kids. ☺

Please email, Text, or call Diane Hoenig to be added to the **Snow Club** email list as well as with any questions or transportation suggestions. We would like to make this a fun community building event! Please feel free to invite (forward email/information) any friends etc. who would like to sign up under our pricing plan.
