

Care Committee

WHAT WE DO

The Care Committee at SJMS works closely with the Head of School, in a sensitive and confidential manner to help any SJMS family that is experiencing a difficult time. This can vary from sending a note of care, love and hope, a most welcomed meal, transportation for their children or any other life crisis that may arise.

CARE FOR OUR COMMUNITY BY SJMS STUDENTS

Our students develop lifelong habits of contributing to society by giving a helping hand to those in need. The students focus on one of the Corporal Works of Mercy each year. We have participated in the following:

- FEED THE HUNGRY, GIVE DRINK TO THE THIRSTY – We provided the Dream Center with snacks and drinks.
- CLOTHE THE NAKED AND SHELTER THE HOMELESS – We worked with the Homeless Families Foundation through the Kiwanis Club.

Students have also participated in Seeds for Caring Project. This organization believes in the power of kindness and the capacity for kids to change the world.
